

Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how tedious it would really be to clean up your own house after throwing a large party, with out assistance from cleaning equipment. Before, when carpets and upholstery had the dirt beat out of them manually; brushes, brooms and cleaning cloths were the best cleaning supplies back then.

The man who founded Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who really liked to work on electrical motors. After establishing his company during the year 1906, he began to make motors to drive coffee grinders, fans, machine tools and drills. Mr. Fisker's vision from the beginning was to have a global business marketing products globally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented an amazing, ground breaking vacuum cleaner which can be operated by one person because it just weighed 17.5 kilos! This invention came in a time where other cleaning equipment were huge and required at least 4 operators, hence, the Nilfisk C1 changed everything and developed the way we clean forever. The genius behind these very first cleaning machines remains unparalleled. Cleaning equipment provide a brilliant solution to an existing dilemma; things get dirty and need to be cleaned on a regular basis, without too much effort.

Gradually but steadily, Nilfisk-Advance developed throughout the years. In the 1980s, this growth really took place when the company became a part of the NKT Group. Their new owners' determination and focus made Nilfisk-Advance take a huge leap ahead within the business, trying to be amongst the biggest global players in the market of professional cleaning equipment. Nilfisk-Advance is currently located in every part of the globe due to steadily obtaining lots of small companies to be able to develop their product selection and presence in new markets. They are really proud to present a variety of cleaning solutions to fit each and every need.
